

## Application form for Associated Partnership with ACTRIS-2

<b>1. Proposer Information</b>				
<b>Main contact First and LAST name:</b>		<b>Gender:</b>	<input type="checkbox"/> Female	<input type="checkbox"/> Male
<b>Name of Legal Entity:</b>				
<b>Department / institute:</b>		<b>Website address: (if available)</b>		
<b>Was your Legal Entity associated with ACTRIS (EU FP7 2011-2015) ?</b>			<input type="checkbox"/> Yes	<input type="checkbox"/> No
<b>PI Research status:</b>		<b>Country:</b>		
<b>Postal address:</b>				
<b>E-mail:</b>		<b>Phone number:</b>		
<b>Recent references</b> <i>(5 max, if no references, short CV)</i>				
<b>2. Involvement in ACTRIS-2 Activities</b>				
<b>ACTRIS activity towards proposal is addressed to:</b>				
<input type="checkbox"/>	Profiling of aerosols and clouds (Networking Activity 2)			
<input type="checkbox"/>	Near-surface observations of aerosols, clouds, and trace gases (Networking Activity 3)			
<input type="checkbox"/>	<i>For Industrial Partners only</i> : ACTRIS Innovation Platform (Networking Activity 4)			
<input type="checkbox"/>	Improving the accuracy of aerosol light absorption determinations (Joint Research Activity 1)			
<input type="checkbox"/>	The surface exchange and vertical transport of aerosols (Joint Research Activity 2)			
<input type="checkbox"/>	Model evaluation, assimilation, and trend studies (Joint Research Activity 3)			
<b>3. Brief description of the proposed scientific activity and/or description of past involvement in ACTRIS FP7 (max 250 words)</b> <i>(E.g., description of planned activities and objectives, possible integration in ACTRIS-2, mutual</i>				

*deliverables to the project, technological development, innovation potential and knowledge transfer, etc.)*

#### **4. Provision, archiving and access to ACTRIS data**

*The ACTRIS Data Centre archives all ACTRIS data resulting from the measurement activities at ACTRIS sites. As associated partner, we offer you the ACTRIS data base infrastructure for long-term sustainable archiving and access to ACTRIS data, and facilitate provision of your data to a large scientific community. To prepare for proper data management of your data, please complete the information below.*

- |                          |  |
|--------------------------|--|
| <input type="checkbox"/> | The activity will not result in submission of data to the ACTRIS Data Centre.  |
| <input type="checkbox"/> | A contribution to ACTRIS with profiles of aerosols and/or clouds is expected (archived in EARLINET or CloudNet data repositories)                                      |
| <input type="checkbox"/> | A contribution to ACTRIS with near surface observations of aerosol, cloud and/or trace gases is expected (archived in EBAS data repository)                            |
| <input type="checkbox"/> | We are aware of the ACTRIS Data Policy ( <a href="http://actris.nilu.no/Content/Documents/DataPolicy.pdf">http://actris.nilu.no/Content/Documents/DataPolicy.pdf</a> ) |
